On the 15th March the A.G.M. took place at the "Golden Hind" with a quite good attendance; probably about 50% of our total membership. The meeting started not more than half an hour late in itself almost a record - with reports from the Secretary, Competition Secretary and Treasurer. These showed that financially the Club had been holding its own, and in fact made a small profit over the year; the response to and support for competitions is now bigger than ever, and generally the Club, although no bigger in size, is more stable and consolidated.

New Officers and Committee were elected, these being

- Chairman - B.D. Graham-Cameron
 General Secretary - D.R. Prime
 Treasurer - Mrs. H. Jackson
 Competition Secretary - J. Richard Aley
 Committee - H.A.F. Jackson
 R.H. Moore
 R. Rand
 H. Mansfield
 H. Norman
 D.G.S. Williams
 R. Bowyer
 P.G. Witherow

A vote of thanks was proposed to the retiring Chairman and Treasurer, and the meeting ended with general discussion.

After much preparation they departed at the appointed hour and Navigator saith to Driver "Drive like the cappers", and he did so, and they rested awhile outside the town walls before entering.

After many adventures and much travelling they came to the village of Yardley Gobion where they were expecting a welcome from an official, but after much searching Driver saith "Verily are we undone", but even as he spote they saw the official who had hid himself in a vineyard
