INSURANCE

J.S.Ward & Co. of Guildford, Surrey have sent us details of a club insurance policy to cover members against personal accident whilst taking part in motor car rallies in the U.K. The premium is 7/6d per person per annum and is bought through the Club.

£1000 is payable on death, permanent total loss of sight for one or two eyes, loss of one or two limbs or permanent disablement and £10 per week up to £104 weeks for temporary total disablement.

If anyone is interested, please contact the Competition Secretary.

'Special' builders will no doubt be concerned to learn that any car he makes which is assembled out of spare parts, old or new, will be subject to Purchase Tax, based on an estimated Wholesale value of the car with effect from 1st June if Clause 6 of the Finance Bill, now before Parliament is made law.

This will inevitably encourage people to write down the wholesale value of any 'special' to the bare minimum and we can see even rougher rough 'specials' putting in an appearance shortly.
